### AREAS OF IMPROVEMENT (IF ANY)

#### GIRLS HOSTEL

- "#We need infrastructural development in washing area.
- #Quality of food can be improved more. Most of the curries are with more water.
- #We need study table and chair. Even if we utilize other areas, only 5 or 6 can study. There are 8 people in a room. So study table and chair is must.
- "•Improve the quality of food.
- •Different rules for boys and girls.
- •Girls hostel students also want time for
- Gym, cycling, library and other college facilities.
- "1. Study rooms are necessary, if it is difficult to provide one, necessary study facilities like chairs and tables should be made available. Studies of students should be made an important priority.
- 2. Hygiene issues (very poor in the laundry area), tables are not clean where we have food.
- 3. We need more area for laundry purposes (including drying area)
- 4. The facility to go out and buy necessities without much procedures (like asking the day before, etc) or else increase in availability of all goods in the college store itself.
- Its sad to know that the college has different rules for boys and girls when it comes to even going out to buy necessities.
- (Restrictions should be given only to those who misuse or violate rules.)
- 5. We need biriyani at noon.
- 6. Cycling, gym facilities and library should be made available to girls the same way college made it available for boys when they were staying outside.
- "1. Want to improve washing area
- 2. Increase food quality
- 3. Need table and bench for study
- Afternoon college food system, evening time schedule
- Breakfast
- Cloth drying area
- Food
- Food

- Food , laundry area, Restrictions on every simple things, no gym, Evening time at college, weekend outing
- Food ,restrictions , time for gym,
- Food chart , outing day
- It would be better if the quality of the food is improved, changing biriyani for dinner on Fridays to lunch.
- Lack of chairs and tables
- Outdoor needed
- Outdoor trips needed, mnthly twice
- Outing
- Outing
- Outing is very important
- Please avoid the pets (cat,dog)
- Regarding drainage system
- Safety of girls, drinking water facility
- 
- study time we all a different time to study so study time must be changed (9:00 - 10:00) we can study after 10 :00 also as we give our mobile phones at 10:00. from 9:00 we can't use phones. so kindly request you take a favourable action.
